Solving New Mexico's Small Business Challenges

NEW MEXICO SMALL BUSINESS ASSISTANCE PROGRAM

NMSBA CAN HELP YOUR BUSINESS

The New Mexico Small Business Assistance (NMSBA) Program assists for-profit small businesses in New Mexico with access to experts at Los Alamos National Laboratory and Sandia National Laboratories. These experts help you to gain knowledge and solve challenges utilizing the labs' cutting-edge technologies. The assistance is provided at no cost to your business.

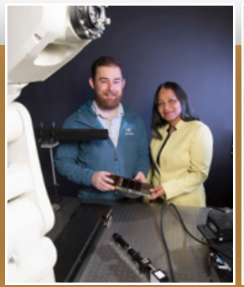
NMSBA serves small businesses from every industry type in the state:

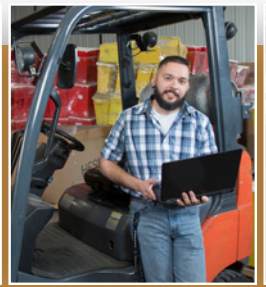
- Manufacturing
- Agriculture and Natural Resources
- Oil & Gas, Utilities, and Mining
- Professional, Scientific, and Technical Services
- Retail and Wholesale
- Media and Hospitality
- Educational and Health Services
- Real Estate, Finance, Insurance, and Management Services

DID YOU KNOW?

Since the inception of NMSBA, **2,931** businesses have been assisted, **7,853** jobs have been created and retained, and **$62.5M** of technical assistance has been provided by our two national laboratories. NMSBA has assisted businesses in all **33** counties in New Mexico.

Let NMSBA be a part of your success!





Eligibility

- Are you a for-profit small business located in New Mexico?
- Do you pay or file gross receipts taxes to the State of New Mexico?

If you answered yes to these questions, you can qualify for technical assistance in the form of research hours valued up to:

- $20,000 annually if your small business is located in Bernalillo or Santa Fe counties
- $40,000 annually if your small business is located outside of Bernalillo or Santa Fe counties

Restrictions

- The assistance provided must not be available through private industry at a reasonable cost.
- NMSBA cannot provide cash or equipment to the small business.
- NMSBA cannot provide assistance to government or nonprofit entities.
- NMSBA cannot endorse companies, products, or services.

The results from NMSBA and Los Alamos were spectacular, and we would love to work with them forever.

The results from NMSBA and Sandia gave me the confidence to move forward to build our first nitrile glove factory in the United States. My goal now is to build four or five more factories in the Gallup area.
